Travel through time to the ancient days of ancient Greece. Pick a path, get directions from a village elder, and find some treasure. In some ways this game is based on a lot of things you might want to do while vacationing in the Greek islands! It's the kind of game where the journey is the most fun part of the game. This game is a story of historical figures from Greek Mythology and the adventures of the Knights of the Round Table. It's a game where players travel through time to rescue Princess Sara from the clutches of the evil King, Accees. Players take on the role of the Knights of the Round Table as they travel through the ages to reach the Princess, defeat the King, and live happily ever after. In Medieval Times, you are one of the medieval Knights of the Round Table. Your job is to explore ancient ruins, battle monster hordes, engage in duels, and slay evil villains. You have a long-term goal of winning the Battle of Camelot and uniting the four kingdoms of the Earth, but you also have a short-term 82157476af
